

# Welcome to *Felicity Farm*

**Want fresh local veggies grown with love and hand picked just for you?**

Then come and join Felicity Farm's CSA!

We are excited to open our doors and kick start our operations in mid March, planting onions, shallots and early vegetables to head off the 2017 season. Member registrations are rolling in and we still welcome new members. If you are interested in joining or would like to refer a new member, please email us or visit our website below. You will find a link to print the sign-up form on our membership page.

Felicity Farm is a small family farm operating on well established grounds, continuing 23 years of growing organic vegetables, herbs and seasonal flowers. We deliver overflowing bags of goodness to our members weekly from early June through October. At various events throughout the summer, members come to visit the farm to see where their fresh foods are grown, help with tasks like planting seeds, weeding beds, trellising tomatoes, and harvesting vegetables, and to meet the people who grow them.

Shares are delivered Thursdays 12:00 - 3:00 pm at 6 drop sites in the Twin Cities and one in Menomonie. Local shares are ready for pick up at the farm after 10:00 am Thursdays.
